Too many herbs in the kitchen, and not enough time to cook?! Herb-infused ice is a pretty way to use up leftovers while adding dimension to your favorite drinks. Try freezing mint and lavender to perk up your water, lemonade, or even cocktails.

Pro Tip: Boil the water first for the clearest cubes to highlight your herbs. Or, if you have a lot of "thyme" on your side, try this [citrus blueberry thyme cake](#) and chase it down with a [blackberry thyme margarita!](#)

HEALTH & WELLNESS

Mindfulness is the ability to be present, to rest in the here and now, fully engaged with whatever we are doing in the moment. Check out [Headspace](#) for free to see how mindfulness can help you tackle anything!

And for all of the parents out there, there is even a [Headspace for Kids](#), since we all need to learn how to unwind sometimes, no matter our age.

DID YOU KNOW?

Did you know the city of Boston is reimagining State Street, in an effort to bring vibrancy to this historic area, and to better meet the needs of the traveling public?

Boston Public Works Department we will be installing temporary accommodations for wider sidewalks and bicycle travel along State Street to test potential options for the future functionality of the street, including walking, biking, and driving. For more information, visit the [State Street project website](#), and share your thoughts through the [State Street survey](#).
